The image features a large, complex maze divided into three horizontal sections. On the left side, a detective character in a brown trench coat and hat is looking through a magnifying glass. To the right of the maze is a brown folder labeled 'DOCUMENT 1' with 'TOP SECRET' and a star symbol on it. The maze contains three distinct paths: a green path at the top, a red path in the middle, and a blue path at the bottom. A green triangle with the number '3' is positioned to the left of the green path, and a blue triangle with the number '1' is positioned to the left of the blue path.
